PROFESSIONAL SUMMARY

Anita Ehiri Ihechi is a Social Media Manager, Content Strategist, and entrepreneur based in Lagos, Nigeria. She has experience managing social media platforms, developing creative content, creating marketing strategies, and helping brands connect with their target audience. With a background in the food and hospitality industry, Anita has also worked as a Head Chef, where she gained experience in kitchen management, food preparation, quality control, and team coordination. She is also the founder of Kiara's Cravings, her food business in Lagos, which has strengthened her skills in business management, customer service, marketing, and brand development. Anita is creative, organised, adaptable, and passionate about building brands, creating meaningful content, and continuously developing her professional skills.

PROFESSIONAL EXPERIENCE

Social Media Manager and Content Strategist 2026 – Present

Hwy Granola

- › Serve as Social Media Manager and Content Strategist for Hwy Granola, a granola brand, planning and scheduling content across its platforms.
- › Developed the content strategy and campaign calendar around the brand's goals and target audience.
- › Provide creative direction for photo and video content and manage the digital asset library, keeping everything consistent and on-brand.

Founder 2023 – Present

Kiara's Cravings

- › Founded and manage a Lagos-based food business, overseeing operations, customer service, marketing, and brand development.
- › Built a loyal customer base through consistent food quality, reliable service, and a recognisable brand.
- › Handle day-to-day business decisions, from menu and pricing to promotion, supplier coordination, and inventory.

Social Media Manager 2024 – 2025

Emerie Clothing Brand

- › Served as a PA as well as managed daily social media operations, planning and scheduling content across all brand platforms to keep a consistent posting rhythm.
- › Grew audience engagement by responding to comments and messages, building community, and tracking what content performed best.
- › Maintained a cohesive brand voice and visual identity across every post, story, and campaign.

Head Chef 2023 – 2025

The Farm Restaurant

- › Led the kitchen as Head Chef, overseeing daily kitchen operations, food preparation, and service.
- › Maintained food quality and safety standards through consistent quality control and portioning.
- › Coordinated and supervised the kitchen team, managing prep schedules and station assignments.
